If no guest house is available for the time requested, members will be placed on a waiting list in the order in which the requests are received (with any special needs taken into account). An inspection of the unit will be done at checkout and additional fees may be assessed for broken or missing items or excessive cleaning, if necessary.

Cancellation received within 72 hours to arriving date will be subject to a one night cancellation fee. (Except with the orders cancellation)

I further understand that I will be billed every ten (10) days for my stay. It is my responsibility to collect the invoices from MWR and coordinate the TLA payments through SPO.
